Update on events:

January 14th was **Bingo Night** and what a huge success it was. We had a great turnout and everyone seemed to have fun! Thank you to all who attended and to those who volunteered to help pull off another successful Augusta Ranch Bingo Night.

4th grade will head to Karchner Caverns & the SW Sonoran Museum January 24th. The students, teachers and parent chaperones love this field trip and it's highly educational from start to finish.

Principal Academy is collecting textiles for a bulk donation on January 30th to Sunshines Acres

Children's Home. The truck will be here just before 4:00pm and students will be ready to load the truck. We'll receive a sort of "kick back" for each pound of donation sent their way. Note: There's reportedly over 15 tons of "stuff" each year left in the landfill in the United States

~~last. We will need to do our part to step up the recycle, reuse, education and conservation.~~

Augusta Ranch is proud to participate in the Leukemia and Lymphoma Foundation

fundraiser with a kick-off assembly on **Friday, Feb. 7th**. Our campus goal is to raise \$10,000
